

CASE STUDY

# Logic Air with Wold Escapes.

Wold Escapes is an award-winning cookery school, bed and breakfast and luxury glamping site. Based near Drifffield, in East Yorkshire.

Working with local installer Finesse Plumbing and Heating Engineers, Wold Escapes now has seven luxury glamping cabins each powered by one of our Logic Air air source heat pumps.

## The **Ideal** heat pump package combines three revolutionary products.

### 1. Monobloc heat pump:

Our quiet, compact and highly efficient monobloc heat pump.

### 2. Pre-plumbed heat pump cylinder:

Our industry leading pre-plumbed heat pump cylinder.

### 3. Halo Air:

The Halo Air heat pump thermostat.
